

The Florida Everblades Fan Club is seeking sponsors for their fan club website, newsletter and Facebook page. The FEFC raises money to help support the players by setting up their apartments with kitchen, bathroom and bedroom supplies, food items for their away trips, and breakfast items for their locker room. This work takes many man hours and is very expensive for our FEFC throughout the year. Your donations help offset the cost of these items for the team and Fan Club. Many of the players are from various countries or states and may be the first time they have lived on their own.

Our fan club has been providing assistance to these young players for the last 20 years. We are offering different levels of sponsorships:

- Your \$100 donation will include:
 - A business card ad in our newsletter, on our Everblades Fan Club website and Facebook page.
 - The newsletter is published 4 times a season and the website and Facebook page are available all year round.
- Your \$250 donation will include:
 - A 1/4-page ad in the FEFC newsletter, Facebook page and our website
 - Plus 2 tickets to a Florida Everblades Hockey game.
- Your \$500 donation will include:
 - A 1/2-page ad in the FEFC newsletter, Facebook page and our website
 - Plus 4 tickets to a Florida Everblades Hockey game
 - Your business name on our Fan Club t-shirts for the 2022/2023 season
 - A Florida Everblades Fan Club membership for the 2022/23 season
- Your \$1,000 donation will include:
 - A 1/2-page ad in the newsletter, Facebook page and our website
 - Plus 4 tickets to a Florida Everblades Hockey game
 - Your business name on our Fan Club t-shirts for the 2022/2023 season
 - A Florida Everblades Fan Club membership for the 2022/23 season
 - You will be given a sponsor table at one of our private events (meet & greet or annual picnic) with the players

The possibilities are endless in getting your business's name in front of thousands of hockey fans. If you are interested in being a sponsor, please contact our Florida Everblades Fan Club sponsor coordinator: Karen McKenzie (586) 212-5808 or at dkmckenzie2005@comcast.net
